

OVID CAPITA LLP

Company Profile

Specialist alternative asset manager

Ovid Capita Llp is a London based specialist alternative asset management group that provides funds, direct investments and tailored investment solutions including co-investment.

The Group aims to generate superior returns across a range of alternative investment strategies over long-term investment horizons.

The investment teams apply their expertise, knowledge and experience to create value for clients and shareholders primarily through strong investment performance alongside growth in assets under management.

Ovid Capita currently manages regulated and non-regulated investments and co-investments on behalf of institutions and private individuals. Asset management is operated through two divisions, Strategic Equity and Real Assets.
